

### Tucson Police Foundation

Join our family and become a member to support the Tucson Police Department and the many other Foundation initiatives.

Membership donations provide the operating capital that enables the foundation to organize and manage the fundraising activities that benefit the Tucson Police Department and the Tucson community.

### START Teen Driving Program

The Tucson Police Foundation sponsors along with the Tucson Police Department the *START Program* for teens aged 16 to 19 to learn off-road recovery, evasive steering and skid recovery.

This program was developed by TPD with special funding from State Farm Insurance to develop real world driving skills in our newly licensed drivers.

### QuikClot - Life Savers

QuikClot is a breakthrough product that saves lives by rapidly stopping severe bleeding. On June 13, 2008 the Tucson Police Foundation provided 700 QuikClot 1<sup>st</sup> Response Packs to the Tucson Police Department for use in every police car.

Just recently a QuikClot was used by a TPD officer to save the life of a wounded teenager.

Money well spent!

Your membership helps the TPF to continue this LIFESAVING program.
